2007 IICL FLEET SURVEY RELEASED

BRIARCLIFF MANOR, NEW YORK — IICL President Steven Blust., has announced the release of the IICL's Nineteenth Annual Lease Container Fleet Survey, noting that as of January 1, 2007, the operating leasing fleet of world containers reached approximately 9.6 million TEU.

The survey, released annually, contains information submitted from IICL members and other participating worldwide leasing company's. In addition to this years survey which is posted on the IICL web site, www.iicl.org archive information is also available for viewing on our web page.

The survey includes current container and chassis fleet size, new purchase and dispositions for a variety of equipment types.

The IICL invites and encourages comments for improvement on this survey as to its content, format and presentation.
