

*INSTITUTE OF INTERNATIONAL CONTAINER LESSORS*

**FOR IMMEDIATE RELEASE**  
**May 11, 2007**

**Technical Bulletin 001 Revision**

**Briarcliff Manor, New York** - IICL President Steven R. Blust announced today that the Institute's Technical Bulletin 001, "Performance Standard for Plywood Floor Panels for International Freight Containers", has been revised and posted online at [www.iicl.org](http://www.iicl.org) and can be accessed by clicking on "Technical Bulletins" on the navigation bar. IICL TB 001 outlines performance requirements for marine grade plywood to be used in general cargo containers.

The project was supervised by representatives from the IICL member companies: Jack Figueira of Textainer Equipment Management (U.S.) Ltd., and Lew Vitalis of Transamerica Leasing Inc.

In addition, Mike Anderson of Wood Advisory Services also supervised the project.
